A HEART FOR THE WORLD
with Ginny Dent Brant

Monday, February 6, 2017

Ginny brings a unique perspective as a wife and mother who grew up in the halls of power in Washington, DC, has battled cancer, and has ministered in some of the most impoverished streets of our world where there is no freedom. Her career started early in life as a fashion model, but quickly changed to serving on the front lines of our culture as a counselor, teacher, and adjunct professor for 32 years. The wisdom Ginny has gained from her background will challenge and inform any audience. She complements her speaking with song and sign language, and rich experiences.

Welcome from the
PASTOR

God is doing a great work in and through the people of Riverland Hills. Whether this is your first visit here or you have come searching for answers, or you have been on your Christian journey for years, God knows the needs and circumstances of each of us. The good news today is that He is ready to provide the wisdom and instruction you will need for any issues you may face in the days ahead.

God loves you and He has a marvelous plan for you personally. I pray you will allow Him to work in your life, giving you direction from His Word on how to live a satisfying and significant life.

His plan for your life is a home church. Let me be one of the first to invite you to become part of our congregation. Let us know how to get in touch with you, and we will try to answer your questions.

Blessings,
