SONG “Forever”

Give thanks to the Lord, our God and King.  
His love endures forever.  
For He is good, He is above all things.  
His love endures forever.

Sing praise, sing praise,  
Forever God is faithful.  
Forever God is strong.  
Forever God is with us, forever.

With a mighty hand and outstretched arm,  
His love endures forever.  
For the life that's been reborn  
His love endures forever.

Sing praise, sing praise,  
Forever God is faithful.
